## 2003 350Z; PASSENGER'S FRONT AIR BAG ON/OFF SWITCH KIT AVAILABILITY

**APPLIED VEHICLE:** 2003 350Z (Z33)

### SERVICE INFORMATION

- The U.S. government has procedures that allows customer's to apply for permission to have their vehicle fitted with an ON/OFF switch for the front air bag on the passenger's side of the vehicle if certain requirements are met (for example, the transportation of a child).
- Such a switch is now available for purchase from Nissan for the 2003 350Z.
- If a customer has questions about the government application process, have them contact NISSAN Consumer Affairs Department.  
For U.S. mainland customers: 1-800-NISSAN-1 (1-800-647-7261)  
For Hawaii customers: (808) 836-0888 (Oahu Number)
- Information can also be obtained directly form the National Highway Traffic Safety Administration (NHTSA) at [www.nhtsa.dot.gov](http://www.nhtsa.dot.gov).

After a customer receives the approved NHTSA form:

- They can order the switch kit through a Nissan dealership's parts department.
- The dealer's parts department must contact Dyment at (562) 698-2688 to order the kit and obtain parts pricing information.
- A copy of the NHTSA-approval form must be faxed to Dyment to complete the order process.

### CLAIMS INFORMATION

Installation of this switch is NOT a warranty repair, and is a customer-pay operation.
